## HISTORY RICH IN TRADITION

La Segunda Central Bakery, one of Ybor City's historic landmarks, began in 1915 with Juan Moré. Born in the Catalan region of Spain, Moré fought in the Spanish-American War in Cuba. After developing a deep love for the art of making Cuban bread, Moré moved to Florida and bought "La Primera de Ybor," with Comellas, a fellow Catalan. The bakery, now La Segunda Central Bakery, operates under 3rd and 4th generation Morés. The recipe for Cuban bread remains the same while the selection of baked goods continues to expand with the many cultures of Ybor City.
